Sir

With reference to General Secretary's letter No L 3575/1 33-32-67 dated 24-11-1932 enquiring if after taking account of items of expenditure already proposed to be met out of Rs 35,000 provided in the current year's budget of the City Municipality under D 3 Compensation there are enough funds remaining for meeting the cost of acquisition of the properties required for widening the Kemmanagundi Road, II Division Bangalore City I have the honour to state that there is no likelihood of taking up this acquisition in view of the fact that the Madras and Southern Mahratta Railway Authorities are agreeable to the compound wall of the Railway Goods Shed Yard being set back by about 10 feet for widening the Kemmanagundi Road provided the stand and dimensions in the yard are not infringed and all the costs in connection therewith are paid by the Municipality the estimated cost as per Municipal Engineer's Report being Rs 4870 The matter will be placed before the Council and their decision will be communicated in due course

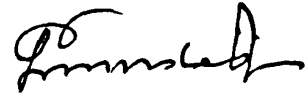

A statement showing the amount actually spent during the current official year and other details is herewith enclosed Out of the sum of Rs 35 000 provided in the current year's budget, a sum of Rs 31 230-2-7 has been paid leaving a balance of Rs 3769-13-4 which includes the amount to be paid in the cases wherein the properties have been acquired but the parties concerned have not claimed the amount But payments will be made so as not to exceed the budget allotment There are several cases of acquisition sanctioned by the Government the total cost of acquisition in such

such cases being roughly estimated at Rs 70,000 excluding statutory allowance In many of these cases as they become mature and come to a final stage by the close of this official year, the amount required in these cases may be made available from out of the provision in the next year's budget

I have the honour to be
